

Huktra Environment and Health Statement

It is the policy of Huktra to **minimize the environmental impact** of all its actions.

Huktra is committed to **limit the empty running** of its tank containers through the planning of its movements. In this way Huktra hopes to contribute to minimize the CO² emission.

It is the policy of Huktra to have its tank containers built in such way that they conform all legal requirements and that leaks or spillage are avoided maximally in order to **protect the environment** from the hazardous goods which are carried in the tank containers.

Huktra has strict rules to avoid residues after discharging and encourages its staff to **actively think** about environmental issues.
