

Huktra is committed to **deliver a high quality service** to its customers in a cost effective way. This high quality level will be reached by establishing quality assurance systems conform ISO9001:2000 and GMP regulations.

Quality, safety and meeting the customer requirements are placed above all else in its daily activities.

Customer complaints or non-conformance incidents are **analyzed** to **detect** possible weaknesses and to **improve** the company continuously.

Huktra encourages its staff members to **actively think** about quality issues and counts on it that staff members will give **valuable ideas** and **actively participate** in this debate.
